

2026 Activity Signups

The following activities required advance signups. All other activities are open to all and attendance is not dependent upon having registered.

Click the link to jump right to each activity's registration list. **Read carefully**, sometimes the list says who signed up, and other times we listed those who did NOT signup.

If you signed up for something but have changed your mind, please let Professor Saito know so she can see if someone else would like to replace you.
