Los Medanos College and the European Studies Association [ESA] invite you to participate in a once-in-a-lifetime educational experience: **Summer Study in Paris 2022**.

Since the Middle Ages, Paris has drawn students from around the world for university studies with its beauty, culture and cosmopolitan lifestyle. Celebrating our forty-third annual program, you'll benefit from our faculty's years of experience and knowledge to make your month in Paris something you'll never forget.

You'll be *so much more than a tourist*, living in student dorms in the heart of the city, and enriching your experience through your coursework and program activities—visits, performances and walking tours. We include the Louvre, the Musée d'Orsay, the Carnavalet City History and Parisian neighborhoods, as well as an overview of French history.

On weekends, we will spend three days in Normandy, based in the charming small port of Honfleur with visits to Monet's home and gardens at Giverny, and scenic Etretat. Day trips will include Louis XIV's Versailles, Vaux-le-Vicomte castle and Auvers-sur-Oise (where Van Gogh painted).

Paris Humanities Course

Make Paris come to life with **Humanities 30: Modernist Paris Artists & Intellectuals**, a fun, interdisciplinary course focused on 19TH and 20TH century painters, writers, dancers, sculptors and musicians who created art that shocked and thrilled generations. This class is specially designed with many of out-of-the-classroom field trips so you can appreciate:

- The **bohemian life** of Parisian artists
- **Ernest Hemingway's** sparse prose
- **Stravinsky & the Ballet Russe's** scandalous theater
- The revolution behind the **Impressionists**
- The daring life and stories of **Colette**
- **Picasso's** cubist paintings
- **Gertrude Stein and Baudelaire's** radical poetry and more...

We'll watch fantastic movies, read poetry out loud, go to lots of amazing museums and, yes, eat French food together.

Humanities 30 | Course Details:

This is a 3-unit class which transfers to all CSU and UC schools as well as most private universities. It also meets IGETC and CSU General Education (GE) requirements so your time in Paris will get you closer to your degree/transfer goals. This class is designed for maximum flexibility:

- Take it for a **grade OR pass/no pass**;
- Complete some coursework and assignments **online** before we leave.
- There are *no prerequisites* for this class.

Included Trips & Activities

ESA has designed a rich variety of experiences to supplement your classroom learning. They've handled all the arrangements so you can enjoy Paris and its surrounding areas worry free. PARIS FACULTY & PARTNER COLLEGES

Los Medanos College students will be guided and taught by **Professor Jennifer Saito**, a seasoned study-abroad teacher who has led semester-long trips to Paris and Barcelona. A lifelong francophile, Professor Saito's first academic job was teaching theater as a summer camp counselor at Berkeley's East Bay French-American School. Known for her energetic and interactive style, Professor Saito speaks French and is well acquainted with Paris, so you're in good hands for an amazing summer.

In addition to Los Medanos, several other California community colleges are participating in this program. There will be 75-100 total students, giving you a small community of fellow travelers with whom you can explore Paris. Each college sends at least one professor so there is a strong team to lead activities including Dr. Tom Blair (ESA Director, CCSF emeritus), Dr. Terri Nelson (Cal State Bernardino), Prof. Camilo Bonilla (Univ. ECCI, Bogota), Prof. Rebecca Ebin (ELAC), Prof. Philippe Kreiter, Prof. Jaklin Yermian and Dr. Lynn Vogel-Zuiderweg (ELAC). Our faculty help introduce you to Paris (and French) life through its language, customs, history and culture. Our faculty includes native speakers in French and all have spent extensive time in Paris.
