Los Angeles Valley College, East Los Angeles College and the European Studies Association [ESA] invite you to participate in an exceptional educational experience: **Summer Study in Paris 2021.**

Since the Middle Ages, Paris has drawn students from around the world for university studies, its culture and the experience of its cosmopolitan lifestyle. Celebrating our forty-third annual program, we have the faculty, the background and the knowledge to make your month in Paris worthy of one of the world's great capital cities. In addition to language classes, you will improve your knowledge of French culture through our rich civilization course—visits, lectures and walking tours. We include the Louvre, the Musée d'Orsay, the newly renovated Carnavalet Museum and Parisian neighborhoods, as well as an introduction to French history.

On weekends we will also visit Normandy spending two nights in charming Honfleur, Monet's home and gardens at Giverny, the chateau of Vaux-le-Vicomte, and Auvers-sur-Oise where Van Gogh painted. We won't neglect daily life in Paris either. Additional activities include Versailles, gourmet meals, ballet and opera and more. The quality of our program is shown in the number of participants who repeat it!

LANGUAGE PROGRAM CHOICES

ESA offers you two language program choices in addition to the civilization course and cultural activities:

15 hours of French class per week at the **Institut Catholique de Paris** (see below)

OR

Survival French: A French culture and basic language program with thirty hours of language training during the month, taught by ESA faculty. You'll learn the basic French you'll need to speak with store keepers, café personnel and others in order to feel at ease in the Parisian environment, as well as an introduction to French life—music, food, etc. We recommend this choice for those with no background in French. Intermediate classes are dependent on demand.

The Institut Catholique de Paris

The Institut Catholique de Paris, a private French university of international reputation, will provide your French language instruction. Universities world-wide recognize and regularly grant credit for its excellent language courses. The Institut is located in the St. Germain des Prés area in central Paris, very near our dorms. There you will meet students from around the world, who, like you, have come to Paris to take advantage of the Institut's fine teachers, up-to-date materials, and small classes. Like many private universities in the US, the Institut has a religious affiliation, but instruction is non-sectarian. ESA, will handle pre-enrollment formalities. A placement test will determine which course level is most appropriate for you.

Institut Catholique Courses

(highly recommended for intermediate and advanced students)

French language courses, elementary to advanced:

9AM–12PM Monday through Friday [3–5 semester units] †

These classes offer high quality language instruction in conversation, grammar, culture and reading. Classes average 20–25 students and use up-to-date materials.

† Credits are given as a guideline only—see academic credit section.

ESA FACULTY

The program is led by Dr. Tom Blair, Dr. Terri Nelson, Prof. Camilo Bonilla, Prof. Philippe Kreiter, Prof. Jaklin Yermian and Dr. Lynn Vogel-Zuiderweg. Our faculty help introduce you to Paris (and French) life through its language, customs, history and culture. All our faculty have spent extensive time in Paris. They can help guide you to the secret spots in the city loved by locals but ignored by tourists. They'll also give you a top ten list of things to eat (Paris is the gastronomic capital of the world), take you on impromptu visits of Parisian neighborhoods and help you find sites that match your interests (e.g. music, architecture, art and sports). Each brings his or her teaching experience, love of France and enthusiasm for sharing Paris with you to the ESA program

ACCOMMODATIONS

Students stay in well-located dorms in the St. Germain des Prés area of Paris. Each dorm has comfortable community areas—lounge, TV room, student kitchen, library, etc. To suit your tastes, each dorm provides either daily breakfast and dinner or breakfast only. More detailed descriptions of the dorms with photos can be found on our website esaparis.org. Apply early for maximum choice. Single rooms are available at a supplement. A limited number of accommodations with French families are also available.

MEALS

ESA helps students suit their eating tastes. Continental breakfast is provided at the dorm or with the family. One dorm also provides weeknight dinners. You may also take advantage of the student kitchen. We have lists of recommended restaurants in our *Paris pratique* website.

TRANSPORTATION

ESA has arranged a group flight on Lufthansa Airlines to Paris. Students taking the designated flights receive transfers to the dorms at no charge. Students may choose to make other arrangements, but they are then responsible for arranging transportation to the dorm.

“*Such a great program and truly a bargain. My dorm felt like home + a good hotel + summer camp. The museum visits are outstanding, the language program, c'est magnifique et formidable!*”

ACADEMIC CREDIT

Options for academic credit are available for an additional fee, depending on the institution granting credit and the number of units taken. Our affiliate colleges require course enrollment. Information may be found on the program website, esaparis.org, and is distributed at program orientation meetings. Enrollment must be completed before departure and submitted no later than May 25.

APPLICATION & PAYMENT

ESA encourages early application as the number of places in the program is limited to about 75-100 participants. The application period will begin Nov. 15, 2021. The program is often full in mid-March. In addition, early application will better permit you to plan for the trip. All applications must be received by May 25, 2022. Payments may be made by check, money order or credit card [VISA, MC or Amex]. Students who apply and pay all fees by March 1, 2022, are entitled to a 2% early payment reduction. To apply, complete the online application on our website and pay the deposit online or fill out the application section below and mail your deposit check or credit card information for \$300 payable to ESA, 424 Dorado Terrace, SE, CA 94112. The balance of the fee is due April 1, 2022. Students applying after April 1 should check with ESA to set up a payment schedule. Any payment made after May 25 will be assessed a late fee of \$250 and must be made by cashier's check, or credit card. ESA reserves the right to cancel, with appropriate penalties, any registration which has not completed all payments by May 25, 2022. All required documents and photos must be submitted to ESA by May 25. All prices reflect exchange rates in effect at the time of publication (Sept. 2022) and are subject to change.
