

SFO to Paris Flight Application –2024

ESA Paris Program

I am a participant in the ESA Paris study program and wish to reserve a seat on the group flight on Air Canada. I understand that tickets are NON-REFUNDABLE.

There is a \$300 fee for name change/correction. Payment must be made by check payable to ESA. You must take the flights on the group dates; no deviations are allowed. You must take the flights as electronically ticketed. If you fail to show up for a flight, you forfeit the ticket and further flights on the ticket, and you must buy another ticket to reach your destination. In other words, if you do not show on time for all of your flights, you will have to buy a very expensive ticket to travel; you will not receive any refund for any missed flights. Tickets are nonrefundable.

Notes: • If you have special seating requirements (aisle or window), you must note them at the bottom of this form (March 20 deadline). • You can receive mileage credit for the flights on Air Canada's mileage program, or on United's mileage program.

• the cost of the flight is \$1430 including \$540 in current taxes and fuel surcharges. • ESA is not responsible for any trip delays or delayed/lost baggage on the group flights. • ESA will provide transportation from Paris airports to the dorms (and from the dorms to the airport on the last day of the program) • Final payment is due April 15, 2024
